

Science at a Glance, Continued

Month	Week	 Life Science			 Earth Science			 Physical Science			Activity Complete			
		Humans	Animals	Plants	Weather	Day/Night	Earth Materials	Properties of Materials	Movement	Physical changes	Place a checkmark after you complete each activity.			
											Year 1	Year 2	Year 3	Year 4
January	Week 1	A1- Motion						●	●					
	Week 1	A2- Motion: Inclined Planes						●	●					
	Week 2	A1- Solids & Liquids						●						
		A2- Changing Matter: Solid to Liquid						●		●				
	Week 3	A1- Changing Matter: Liquid to Solid						●		●				
		A2- Changing Matter with Water								●				
	Week 4	A1- How We Stay Warm I		●	●		●							
		A2- How We Stay Warm II		●	●		●							
February	Week 1	A1- Magnets I						●						
		A2- Magnets II						●						
	Week 2	A1- Floating & Sinking I						●	●					
		A2- Floating & Sinking II						●	●					
	Week 3	A1- Shadows I						●						
		A2- Shadows II						●						
	Week 4	A1- Building Materials						●						
		A2- Building a Bridge						●						
March	Week 1	A1- Wind					●							
		A2- Water Cycle I					●							
	Week 2	A1- Water Cycle II					●							
		A2- Water Cycle III					●							
	Week 3	A1- Simple Tools I						●	●					
		A2- Simple Tools II						●	●					
	Week 4	A1- Seeds I				●								
		A2- Seeds II				●								
April	Week 1	A1- Stems, Roots, Leaves, and Seeds				●								
		A2- Changing Habitats		●	●	●		●						
	Week 2	A1- Plants in Spring I				●								
		A2- Plants in Spring II				●								
	Week 3	A1- Physical Characteristics		●	●									
		A2- Animal Families		●	●									
May	Week 1	A1- Plant Growth I				●								
		A2- My Growth I		●										
	Week 2	A1- Plant Growth II				●								
		A2- My Growth II		●										
	Week 3	A1- Insects I			●									
		A2- Insects II			●									
	Week 4	A1- Metamorphosis			●									
		A2- Science Walk Observations			●	●	●	●
